

World Congress on

Nutrition and Obesity Prevention Source

November 16-18, 2017, Barcelona, Spain

8. Kalantar-Zadeh K, Kopple JD, Block G and Humphreys MH. 2001. A malnutrition-inflammation score is correlated with morbidity and mortality in maintenance hemodialysis patients. *Am. J. Kidney Dis.* 38(6): 1251–1263.

Biography:

I was born in Denizli on March 4, 1992. I graduated from Gazi University Faculty of Health Science Department of Nutrition and Dietetics in 2014. I worked at Mehmet Akif Ersoy University and Istanbul Technical University. I am working as a research assistant at Gazi University and continuing my master thesis as a master student.
